## Caloundra Highlights

Term 2 - Week 3 – Friday 3<sup>rd</sup> May 2024

Dear Parents and Families,

Welcome to the end of Week 3!

I would like to start by thanking all the families who attended parent teacher interviews last Tuesday. These meetings provide a great opportunity for our teachers to meet with the people that support our students when they are not at school and discuss how their learning is progressing, as well as identify strategies to continue academic growth. I encourage all families to remain connected with your child/children's teachers throughout the remainder of the term so that we can work together to assist them to realise their potential.

You may have also seen on our Facebook site over the past week, information about how our community can support our school through the "get on the bus" fundraising appeal, by voting in 91.1 Hot FMs \$10 000 School of the year competition. We must be in the running as we were one of only a handful of schools that were visited yesterday by Hot 91.1. Hosts, Sam and Ash, who spoke to eager students during the lunch break about the highs and lows as well as the operational details of hosting a radio show. The lunchtime activity was attended by around 500 eager students who asked great questions. The competition ends today so there is still time to get some last-minute votes in to get us over the line!
